

Pet Care through Back-Up Care

Your furry friends are
family, too

When you're busy with work, you've got industry-leading pet care through your ***Bright Horizons Back-Up Care™*** benefit. Because your family comes first.

What to expect from your benefit:

- ▶ Industry-leading pet care offered through top providers including Wag!, our preferred partner
- ▶ Exchange back-up care for credits to use on provider websites
- ▶ Local caregivers who will treat your pet like family
- ▶ Walkers, daycare, overnight boarding, and more
- ▶ Easy-to-book options for both dogs and cats
